

## SharePoint Consultant/ Technology Specialist

OBS is a fun and funky Microsoft Gold Partner well known for our reputation in delivering Microsoft SharePoint and Exchange solutions to many of Australia's greatest companies. We help organisations use technology to create High Performance Workplaces – improving communications, leveraging business information and encouraging knowledge-sharing cultures.

We are looking for a SharePoint Specialist to build SharePoint solutions for major Australian companies. In this role you will work with leading edge team and Microsoft technology, building solutions and helping customers align and adopt SharePoint technology within their business.

Your responsibilities will include:

- Leading customer SharePoint engagements;
- Building SharePoint solutions;
- Configuring and customising SharePoint implementations;
- Mentoring and coaching other team members; and
- Contributing to the success of OBS.

Ideally you have had experience in SharePoint 2003 or 2007 technology in a large company or in a Microsoft partner organisation

Candidates should possess:

- SharePoint 2003 or MOSS 2007 expertise;
- In-depth knowledge of current Microsoft server products and a willingness to learn new technologies;
- Outstanding communication skills;
- Strong consulting capabilities and customer focused approach;
- Experience gathering and interpreting user requirements;
- A passion for technology;
- A sense of humour; and
- A team focused attitude.

Our commitment to you is to help you take your career to the next level and gives you opportunities to be a key player in our business!

OBS offers an excellent remuneration package and other benefits as listed <http://www.obs.com.au/AboutUs/Pages/Careers.aspx>

If this sounds like you, we would like to hear from you today. Please contact Jenni Pavlou, HR Manager on [hireme@obs.com.au](mailto:hireme@obs.com.au) for more information about the role and your potential career at OBS.
