

OBS has been recognized as one of Australia's top ten places of employment

Project Manager

OBS is a fun and funky Microsoft Gold Partner well known for our reputation in delivering Microsoft SharePoint and Exchange solutions to many of Australia's greatest companies. We help organisations use technology to create High Performance Workplaces – improving communications, leveraging business information and encouraging knowledge-sharing cultures.

- Join up and have some fun – drive state of the art projects
- Work with cool people who are the best of the best
- Flexible work environment and remuneration package

We need you to bring your expertise to us if you are a first class Project Manager who wants to be involved in a team delivering the latest Microsoft technology solutions.

You will:

- Oversee the development of project strategy, functional requirements and solution architectures with the assistance of the project team
- Develop and manage project scope, plans and budget estimates to ensure on time and on budget delivery
- Co-ordinate key resources - Assist the Service Delivery Manager with Resource Management across the project, maximising productivity
Lead the delivery team to achieve extraordinary results, delivering projects on time and in budget - drive the success of project and task timelines
- Communicate regularly and openly with key stakeholders regarding the status of project timelines, tasks, and issues
- Ensure excellent customer satisfaction results for project

You will come to us with:

- Previous experience working as a PM in large IT application development projects, Microsoft projects background preferred
- Excellent people skills – great influencer, passionate about developing teams, loved and respected by customers
- Ability to put processes in place to achieve project goals
- Knowledge and experience using project methodologies – Prince 2 experience an advantage
- A proven ability to clearly articulate complex business requirements
- Multi tasking ability – Balance multiple deliverables
- Great influencing skills
- The motivation to help others
- Multi tasking ability – you can keep many customers happy at once!
- A high level of trust and integrity
- A sense of humour

We offer:

- A kick ass place to work
- An awesome team of people to work with
- Access to the latest and greatest technology
- Personal and Career development
- A company that genuinely cares about YOU
- Access to stacks of different types of training to help YOU be the best that you can be
- Flexibility to work in the way that brings out the best in YOU
- The ability to do what you love, in an environment that supports YOU
- Mobile phone and internet allowances
- Salary sacrifice options & flexibility
- Fruit, great coffee, soft drink and lots of beer :-)

Our commitment to you is to help you take your career to the next level and give you the opportunity to be a key player in our business! OBS offers an excellent remuneration package and other benefits as listed.

If this sounds like you, we would like to hear from you today. Please contact Jenni Pavlou, People and Performance Consultant at hireme@obs.com.au for more information about the role and your potential career at OBS.
