Your responsibilities will include:

- .Net Development projects
- Building SharePoint solutions for client organisations
- Configuring and customising SharePoint implementations
- Mentoring and coaching other team members
- Contributing to the success of OBS!

Candidates should possess the following attributes and skills:

- Experience in SharePoint 2007 technology in a large organization
- In-depth knowledge of current Microsoft server products and a willingness to learn new technologies
- Excellent communication skills
- Strong customer focused approach
- Experience gathering and interpreting user requirements
- Solid ASP.Net and C# development skills
- Around three years development experience
- Hunger to learn new technologies
- A passion for technology
- A sense of humour
- A team focus

Highly desirable:

- .NET 3.5 Experience WF, WCF, WPF
- SQL Server 2005, SQL Reporting Services, SQL Analysis Services
- Client side scripting, JavaScript
- Windows SharePoint Services 3.0
- Data mining and warehousing experience
- General knowledge of IT infrastructure and Microsoft Server products

We offer:

- A kick ass place to work
- An awesome team of people to work with
- Access to the latest and greatest technology
- Personal and Career development
- A company that genuinely cares about YOU
- Access to stacks of different types of training to help YOU be the best that you can be
- Flexibility to work in the way that brings out the best in YOU
- The ability to do what you love, in an environment that supports YOU
- Mobile phone and internet allowances
- Salary sacrifice options & flexibility
- Fruit, great coffee, soft drink and lots of beer :-)

Our commitment to you is to help you take your career to the next level and give you the opportunity to be a key player in our business! OBS offers an excellent remuneration package and other benefits as listed.

If this sounds like you, we would like to hear from you today. Please contact Jenni Pavlou, People and Performance Consultant at hireme@obs.com.au for more information about the role and your potential career at OBS.
