

Want to be a star?

- ✓ Are you passionate about technology?
- ✓ Do you want to work with the smartest, nicest, most well adjusted geeks there are?
- ✓ Do you want to be proud of the company and the brand that you work for?
- ✓ Do you want to make a difference?
- ✓ Have you ever wanted to work for a company where you are more important than the work that you do?
- ✓ Where the CEO knows your name and sings you happy birthday?

OBS is fiercely proud of its people, brand and the amazing transformations that we perform with our customers. We are committed to our people, and mentoring them through their development and careers. OBS is a world of opportunity for anyone willing to take the bull by the horns.

About OBS

OBS is a growing Microsoft Gold Partner that specialises in providing innovative services and solutions using Microsoft software. We help organisations use technology to create high-performance work places. We are Australia's Premier SharePoint Specialists, and have the biggest pool of SharePoint specialist in Australia, working together as an awesome team.

We believe strongly in our 7 Principles, they are a reflection of the company that we have built, and the culture that we are so proud of.

Passion > Innovation > Success
